Violation 1 Item 1

Violation Type: Repeat General

WAC 296-65-020(1)(e)

The employer did not file an asbestos notice multiple times. In some cases, the employer's notice of intent to remove asbestos did not include the correct work dates.

1. Notice did not have correct dates, work started on 10/2/2017; Notice dates 10/5/2017 - 10/18/2017.
2. No notice filed work dates 12/4/17-12/8/2017.

Notification of the Department allows oversight of asbestos projects to ensure that contractors perform asbestos abatement in compliance with requirements.

Exposure to asbestos can cause lung cancer, mesothelioma, and asbestosis.

Location: Otis hotel, 110 S Madison St, Spokane, WA 99201.

When the original citation is the final order:

The violation above is cited as a repeat of original Violation #1, Item #1, cited on Citation and Notice #317941635 issued on 8/19/2016.

Situation not believed to exist any longer. However, if this violation is identified again during future inspections, it may result in repeat or failure to abate violations which may include penalties.

Assessed penalty: \$200.00

For Employers

If you are cited for a violation of Occupational Safety and/or Health rules, you have the right to appeal the citation. **You have 15 working days from the date you receive this citation to appeal.** (RCW 49.17.140(1)) "Working day" means a calendar day, except Saturdays, Sundays and all legal state holidays. Your appeal must be in writing. It may be mailed, faxed, or personally delivered.

For violations classified as serious, willful, repeat serious, or failure to abate serious, an employer must correct the violations by the date listed on the Citation and Notice / Employer's Certification of Abatement form unless a stay of abatement date is requested in the appeal as described on this page. A stay of abatement date means the employer's requirement to abate or correct the hazard is put on hold until the appeal is resolved. All general and repeat general violations under appeal automatically have stay of abatement dates until a final order on those violations has been issued. If you only need an extension of an abatement date, please see the above section entitled, **"If you are unable to fix the hazard(s) by the correction due date(s)"**.

Your appeal must include:

- Name, address, telephone number, and fax number if available of the employer who is appealing, and for the employer's representative, if any, such as an attorney or interpreter.
- Inspection Number (You will find this nine-digit number in the top right corner of this page.)
- Statement explaining:
 1. What you think is wrong with the citation and any related facts.
 2. How you think the citation should be changed.
 3. What relief you are seeking and why.

If you are requesting a stay of abatement date for serious, willful, repeat serious or failure to abate serious, you must also include:

- Each violation and item number for which a stay of abatement date is requested; and
- The reason for the stay of abatement date request.

Note: Employees and/or employee representatives may elect to participate in appeal hearings.

Posting requirement:

You must post your appeal documents (along with this citation packet) until the appeal is resolved.
You must also post all other documents related to this appeal.

For Employees or Their Representatives

If your employer is cited, you may only appeal the correction due date(s).

Your appeal must include:

- Your name, address, telephone number, and fax number if available and the same information for anyone who is representing you, if any.
- Inspection number.
- Statement explaining why the correction due date should be changed.
